ITSD has informed me that they will do SSN changes on their end, so in the future, please do not continue enrolling a client using incorrect SSN numbers otherwise ITSD will be doing a ton of extra work. For security purposes, please call me, and I will get her SSN from you over the phone and hand deliver it to the ITSD staff.

Thanks,

Emily Kraft

Hi, Emily. We used to be able to enroll a client using all zeroes if the SSN or DCN was temporarily unknown. I had done this for the SSN for [REDACTED] and I don't appear to have the permission to change it now that I have her correct number. How shall I proceed?
